

THREE RIVERS DISTRICT HOSTS THE WESTERN SLOPE

KLONDATHLON 2023

(COMBINED KLONDIKE & BIATHLON)

One of the most exciting events of the year is happening Saturday, February 25th 9pm to 3pm at Sylvan Lake State Park. Klondike is an outdoor skills competition that matches Scout Patrols and Webelos Dens head to head against similar units as they vie for the Klondathlon Derby crown!

The participants knowledge will be tested in knot tying, fire starting, first aid and other scout essentials as they navigate the various stations with their sled full of gear and with their snowshoes.

The day will conclude with “The Great Sled Race” at 3pm.

New this year we will be combining Biathlon Activity Stations such as hatchet throw, rifle, shot gun BB gun and sling shot, muzzleloader and a snowshoe race into the Klondike Stations making one big awesome “Klondathlon”!

Also new this year will be a Cub Scout Village. This will be a fun area just for Cub Scouts where they can practice and test their scout skills too!

Cost is \$20 per person and includes lunch and a patch.

To register, go to the Greater Colorado Council website: scoutingcolorado.org.
