

ST ANTHONY HOSPITAL CONFERENCE CENTER DIRECTIONS & MAP

LOCATION: St. Anthony Hospital 11600 W 2nd Place Lakewood, CO 80228

The conference center is between the cafeteria and the emergency department on the first floor. If you use the hospital entrance on the south side of the medical center, the conference center is to your right. If you use the main hospital entrance on the west side, turn right and go past the cafeteria to the conference center. Room assignments will vary, depending on availability. There is an electronic agenda board just inside the south hospital entrance near the restrooms. Check here for the exact location of your meeting. If you arrive after 8pm then you must enter the emergency entrance and check in with security.

PARKING: You may park in any of the parking lots to the south of the hospital, but please leave the spots closest to the emergency entrance available for emergency patients and their families. If the parking lot is near capacity, please park in the lot to the far South on top of the little mesa.

Overflow parking in upper lot. Please use this lot if the other lots are close to capacity so our emergency patients and their families can park close to the entrance.
