## **WELCOME WEBELOS WEEKEND LEADERS**

This leader's guide is provided to assist Webelos Leaders and other adults in the pack to prepare for Alpine District's Webelos Weekend (WW). While we have attempted to provide as much information as possible, you may have questions. It is strongly recommended that you attend Gateway District's Roundtables in April and May. Roundtables are the first Thursday of the month, at The Denver Area Council Headquarters building.

## **PURPOSE**

Alpine's Webelos Weekend is one of the best opportunities in the Denver Area Council to reignite the Scouting Spirit in your Webelos or Arrow of Light scouts (AOL). Unfortunately, many Cub Scouts get bored of Scouting and choose not to cross over into Scouts BSA, because they feel that Scouts BSA will be "more of the same." At Webelos Weekend, experienced and trained Scouts BSA youth will guide your Webelos/Arrow of Light on a journey through the exciting world of Scouts BSA. Your Scout will be exposed to advanced scouting skills, the patrol method, and most importantly, Youth Led Scouting. We find that Webelos/Arrow of Light Scouts who attend Webelos Weekend are often fired up and excited about their future in Scouting and are much more likely to cross into Scouts BSA Troops.

While your Webelos/AOL Scout is participating in their events, the adults will have a wonderful training opportunity. In fact, you're not even allowed to hang out in camp, so we want Webelos Weekend to be as beneficial to the participating adults as it is for the Webelos/AOL Scouts. The historic Owl's Nest is set to give you a taste of what Scouts, BSA has in store for your soon to be Scout. ALL PARENT ADULT PARTNERS are required to attend adult training, and MUST remain on the Tahosa campus the entire weekend with their pack. Adults and/or Scouts are NOT allowed in their Campsite during the Webelos/AOL station and Adult training activities. If you need to retrieve something from your campsite during the day, BSA buddy system is required for adults, and Webelos—who will be accompanied by a Scouts, BSA youth leader. This is a camp YPT requirement, with no exceptions.

## **PREPERATION**

The cost of this event for all participants is \$45.00 (both youth and adults). Registration will be on-line. The last date to register is May 15, 2022, or when capacity is met. We ask that Packs register as one unit, instead of individually—this will aid in the check-in process.

You will be required to bring your own camping equipment for the weekend. See page 6 for a suggested packing list for this event. We recommend a pack meeting to help make sure that everyone is prepared for the weekend. We encourage your pack/ individual families to practice setting up the tent that you will be bringing to camp, this helps ensure that all parts are there and the tent is in working order. If you do need help at camp to set up a tent, we will have some Scouts, BSA youth to assist. We ask that you **carpool** to camp Tahosa, as parking is EXTREMELY limited. Each vehicle will need to display the parking pass on their dashboard (included in packet).

Provided meals will include: Saturday Breakfast, Lunch, Dinner and Sunday Breakfast. Eating utensils and plates will be provided. **NO DINNER IS PROVIDED FOR FRIDAY NIGHT**—please bring a sack dinner for Friday night. If you have any dietary restrictions, please reach out to the Committee chair for alternate options.

ALL Participants (YOUTH AND ADULT) - MUST bring a completed, legible BSA Medical Form Parts A, B1 and B2—Part B2 does not need the Dr. Signature.

At Camp Tahosa **Cell phones DO NOT WORK!** There is not a good place to get a signal at camp. If there is an emergency the camp has a telephone to use to call out. If there is an emergency at home and someone needs to get ahold of you the Camp Tahosa phone number is 303 – 440 – 4040.

## **SAFETY ITEMS**

### **ARRIVAL — Parking at Tahosa is very limited. Please Carpool!**

Check-in is at Camp Tahosa between 4:00 PM – 8:00 PM. Please do not arrive prior to this time. It is strongly encouraged that all vehicles from a Pack arrive at the same time for easier check-in.

Upon arrival, staff members will direct you to where you will be camping and help unload your gear. Please bring only what you will need for the weekend. **You will not be parking at your campsite.** Our friendly Scouts BSA Staff will be there to assist with unloading and moving your gear to your assigned campsite.

You must have a completed BSA Medical Form Part A & B (both B pages), for each Scout and Adult attending, a roster of all participants, and copies of your receipts. Please bring them in a large manila envelope with your Pack number and lead adult written on the front of the envelope to be turned in at registration. (it is acceptable to bring a second copy of these forms and keep them in your camp). While your Pack is setting up camp, please send only one person from your group to register and pick up your event materials. Our Scouts BSA Staff members are here to help, so use their experience to help set up your camp. Our Scouts BSA Staff will also be available to assist in your campsite with some short evening activities for your Webelos while your entire adult group attends the leaders meeting at 9:00 PM in the dining hall.

**NOTE:** You will be carrying your gear from the drop off to your campsite and our cheerful staff will have a few wagons to assist. You may want to bring a wagon to help move your gear. Please be ready to unload quickly. **Staff will NOT be available to assist you on Sunday for departure.**

### **YOUTH PROTECTION**

Each Pack must follow the YPT guidelines provided by the BSA at Webelos Weekend.

No person shall ride in the cargo area of vans, SUV's or trucks while on Tahosa Camp Property

Indoor restrooms are for ADULT use only. All YOUTH must use the latrines located throughout camp. Please be respectful of this as it is to follow YPT guidelines. Also talk to your scouts about keeping the Latrines clean—**Latrines are for human waste and toilet paper only!** Please do not throw other objects, food, or trash into the latrines.

### **FOOD**

Many adult/youth will want to bring some of their own snacks and food. Please plan on keeping these in a secure container (in your car or a small bear box) as you might attract wildlife visits during the camp event.

If you do need to bring your own food for cooking purposes, please plan on bringing things that can be quickly reheated in a microwave. Cooking during the weekend event is limited to the camp kitchen, and specific stations only. **COOKING IS NOT ALLOWED IN CAMPSITES**

### **TRASH**

Please understand that this campout is a LEAVE NO TRACE CAMPOUT. If you bring trash in you need to take it home with you!

### **FOOTWEAR AT CAMP**

**Appropriate footwear is to be worn at all times!** CLOSED TOED SHOES (preferable hiking boots) are appropriate for the weekend. Open-toed shoes are NOT permitted at camp (Crocs are not a good choice either).

## **FREE TIME AT CAMP**

## **ANIMALS IN CAMP**

Please leave all pets at home! Pets are not allowed in camp. Service animals are permitted, but be aware that this is a wilderness area and the issues this environment can cause with animals. There is a camp dog at Tahosa (Kuma). There are also other animals that we need to be aware of at camp, including but not limited to Bears, mini-bears (squirrels, chipmunks, etc.), birds and moose.

It is recommended that registered leaders wear their Scout uniforms. They should be worn for Saturday dinner and Sunday Chapel service.
